

PERELLA WEINBERG PARTNERS NAMES WOODY YOUNG CHAIRMAN OF MERGERS & ACQUISITIONS

New York, September 1, 2020 — Perella Weinberg Partners (“PWP”) today announced the appointment of Woody Young to the position of Chairman of Mergers & Acquisitions, a role he will undertake in addition to his responsibility for the firm’s large cap telecom and media advisory business. In this newly formed position, Mr. Young will coordinate and focus PWP’s efforts on working with the firm’s largest clients across a broad range of industries.

For thirty years, Mr. Young has advised on large scale, complex transactions. He joined PWP in 2016 to lead the firm’s telecom and media practice, during which time he led the execution of several strategic transactions, including AT&T’s acquisition of Time Warner and, recently, Liberty Broadband’s acquisition of GCI Liberty.

“Woody is among the most seasoned and respected M&A professionals on Wall Street and a recognized expert in managing large, complicated, and transformative transactions,” said Peter Weinberg, Co-Founder and Chief Executive Officer of PWP. “We are thrilled to have Woody take on this new role. He will bring his experience and client focus to drive dialogue, relationships, and transactions with the firm’s largest clients across all of our industry groups.”

Mr. Young will also assume responsibility to further develop the firm’s Special Committee/Independent Board Advisory practice. Providing clear, thoughtful, and independent advice at sensitive and critical junctures for Boards of Directors has been a hallmark of PWP since its founding in 2006.
