

JOSEPH R. PERELLA NAMED JAPAN SOCIETY CHAIRMAN

New York, June 1, 2017 - Joseph R. Perella, Chairman and Founding Partner of Perella Weinberg Partners (“PWP”), has been elected Chairman of the Board of Japan Society. Japan Society is the leading American nonprofit, nonpolitical organization that focuses on bringing the people of the United States and Japan closer together in appreciation and understanding of each other through innovative programs in the arts and culture, public policy, business, language, and education.

Mr. Perella has been a member of the Japan Society Board of Directors since 2014 and has been involved in business activities in Japan for more than 40 years. He assumes the role of Chairman as the Japan Society celebrates its 110th anniversary.

Additional information on this announcement can be found [here](#).
